

School Fundraiser

Beck Elementary 2019 Spring Carnival

May 17, 2019

BECOME A SPONSOR

5:30 pm - 8:00 pm

On May 17, 2019, Beck Family Volunteers is hosting our annual spring carnival fundraiser to raise money for our school. This is our most popular event and includes games, interactives, food, raffles and much more!

Our organization's mission is to support the education of lifelong learners. Sponsorship for this event would give your organization the opportunity to give back to the children in our local community. **The proceeds for this event will help us to update our school playground.**

We anticipate over 600 guests attending this event and our fundraising goal is to exceed \$10,000. Our organization would be grateful if you could support our spring carnival. In exchange for your sponsorship contribution, your organization will be advertised in all marketing materials, which includes being listed on our website and Facebook page, and our marquee outside of the school. You will also be given recognition at our event.

If you are interested in sponsoring our spring carnival event, please give us a call, email or fill out the bottom of this form and return it with your contribution by May 9, 2019. For more information on our organization and how Beck Family Volunteers helps our school, please visit our fundraising page on our website at www.beckfamilyvolunteer.com. Feel free to contact us with any additional questions.

Thank you in advance for your consideration and continuous support. When you invest in our students, you invest in your own community.
